

# AGRICULTURAL EDUCATION AND COMMUNICATION DEPARTMENT

---

*Chair:* B. E. Myers

*Graduate Coordinator:* J. C. Bunch

The Department of Agricultural Education and Communication offers the degrees of Master of Science and Doctor of Philosophy. Graduate students who obtain a degree in Agricultural Education and Communication will focus their study in one of four areas of specialization. The areas of specialization are agricultural communication, agricultural education, extension education, and leadership development. These degree programs are individually tailored to meet the student's unique needs for professional development. The requirements for each degree are described in the Graduate Degrees (<http://gradcatalog.ufl.edu/graduate/degrees/>) section of the University of Florida Graduate Catalog. More information about our program can be found by following the link below.
