

ANIMAL SCIENCES DEPARTMENT

Chair: John Arthington

Graduate Coordinators: Antonio Faciola (Animal Sciences) and John Bromfield (AMCB)

Animal Sciences is an academic department of the College of Agriculture and Life Sciences (CALS) (<https://cals.ufl.edu/>), a unit of the Institute of Food and Agricultural Sciences (IFAS) (<https://ifas.ufl.edu/>). Creating new solutions to tomorrow's problems underlies everything we do in the Animal Sciences Program. In the areas of teaching, research, and extension, our faculty integrate the most modern technologies available with personal expertise and attention to the needs of students and our industry. For more information about the Animal Sciences program, contact Antonio Faciola and for information about AMCB, reach out to John Bromfield or visit the program's website at <https://animal.ifas.ufl.edu/graduate> (<https://animal.ifas.ufl.edu/graduate/>).
