ARTS IN MEDICINE

Program Information

Center for Arts in Medicine Director: Jill Sonke
Center for Arts in Medicine Graduate Advisor: Eleanor K. Sommer

The Center for Arts in Medicine is committed to advancing research, education, and practice in the arts in healthcare, locally and globally. The Center offers an online Master of Arts (MA) in Arts in Medicine. Minimum requirements for the degree are available in the Graduate Degrees (http://gradcatalog.ufl.edu/graduate/degrees/) section of this catalog.

Prerequisites and Requirements

Admission to the MA in Arts in Medicine program requires a bachelor's degree in an arts, health, or related field of study; a GRE exam score (no minimum score is required) or previous graduate degree; and completion of one of the following prerequisites: the Introduction to Arts in Medicine in a Global Context course at UF, completion of an Arts in Medicine Summer Intensive, completion of the online course Creating for the Health of It, or a minimum of one year of professional experience as an artist or administrator in the arts in health field. Requirements of the degree include completion of 35 credits of coursework with a 3.0 or higher GPA.

Commitment of Time

The MA in Arts in Medicine is designed to be completed in two years when students are enrolled in two classes per 16-week semester (most of the courses are offered in 8-week terms). Students should expect to dedicate 16 hours per week to each 8-week, 3-credit-hour course and 8 hours per week for 16-week courses.

The College participates in a combination degree between the Bachelor of Music and the Master of Arts with a major in Arts in Medicine,

For more information, please go the Center for Arts in Medicine website: http://www.arts.ufl.edu/cam (http://www.arts.ufl.edu/cam/).

Student Learning Outcomes

Arts in Medicine (Master of Arts)

SLO1
Knowledge
Students will be able to identify and articulate the theoretical foundations, ethical frameworks, core issues, and contemporary trends that inform the field and practice of arts in health.

SLO2

Skills
Demonstrate professional-level skills in using the arts to safely facilitate
the arts in healthcare and community settings.

SLO3
Professional Behavior
Identify and articulate conceptual and procedural knowledge to develop,
administer, and evaluate arts in health programming.
