

DENTAL SCIENCES DEPARTMENT

Endodontics Chair and Graduate Coordinator: R. Pileggi
Orthodontics Chair: C. Dolce; *Graduate Coordinator:* D. Karanth
Periodontology Chair: I. Aukhil; *Graduate Coordinator:* W. Duarte
Restorative Dental Sciences Chair: D. Dilbone; *Graduate Coordinator:* E. O'Neill

The College of Dentistry offers the Master of Science degree in dental sciences with concentrations in endodontics, orthodontics, periodontics, and prosthodontics. These concentrations include a minimum of 38 hours of appropriate course work and research in topics relevant to each specialization. Requirements for the master's degree include a minimum of 38 hours of appropriate course work and research in topics relevant to each specialization. Requirements for the master's degree include

- Satisfactory completion of all course work
- Meeting the requirements for clinical certification in the respective dental specialty
- Thesis or project based on research.

Prerequisites for admission, in addition to those of the Graduate School, include

- D.D.S. or D.M.D. degree
- Completion of Parts I and II of the American Dental Association's National Board of Dental Examinations.

The application deadline for Endodontics is July 1
 The application deadline for Periodontics is August 1
 The application deadline of Orthodontics and Prosthodontics is September 2

Application details for these programs can be found on the webpage <http://admissions.dental.ufl.edu/advanced-graduate-programs/> (<http://admissions.dental.ufl.edu/advanced-graduate-programs/programs-application-process/>)

Requirements for the M.S. degree are provided in the Graduate Degrees (<http://gradcatalog.ufl.edu/graduate/degrees/>) section of this catalog.

Majors

- Dental Sciences (<http://gradcatalog.ufl.edu/graduate/colleges-departments/dentistry/dental/dental/>)

Faculty

Professor

- Bhattacharyya, Indraneel
- Catalanotto, Frank Alfred
- Caudle, Robert M.
- Cha, Seunghee
- Dolce, Calogero
- Esquivel-Upshaw, Josephine F.
- Guelmann, Marcio
- Katz, Joseph

- Riley, Joseph Leo
- Roulet, Jean-Francois

Associate Professor

- Cruz-Almeida, Yenisel
- Toth, Zsolt

Assistant Professor

- Bartley, Emily Jo
- Papp, Bernadett

Distinguished Professor

- Fillingim, Roger Benton
- Gordan, Valeria Veiga

Clinical Associate Professor

- Duncan, William Dupree

Affiliated Faculty

- Abdulhameed, Nader Farhan
Clinical Associate Professor
- Abranches, Jacqueline
Associate Professor
- Abu Arqub, Sarah H.
Clinical Assistant Professor
- Aguilar, Maria L.
Clinical Professor
- Ahn, Sang-Joon
Research Associate Scientist
- Brady, Linda J.
Professor
- Burne, Robert Arthur
Distinguished Professor
- Chang, Jia
Assistant Professor
- Davey, Mary Ellen
Courtesy Associate Professor
- Delgado, Alejandro
Clinical Associate Professor
- Dias Ribeiro, Ana Paula
Associate Professor
- Figueiredo Reis, Andre
Clinical Professor
- Frias-Lopez, Jorge
Associate Professor
- Gibson, Frank
Professor
- Gohel, Anita
Clinical Professor
- Gonzaga, Luiz H.
Clinical Associate Professor
- Holliday, Lexie Shannon
Associate Professor
- Hosney, Sherif
Clinical Assistant Professor

- Karanth Huttinagadde, Divakar S.
Clinical Associate Professor
- Khan, Nadeem
Associate Professor
- Lakshmyya, Kesavalu Naidu
Professor
- Lemos, Jose A.
Professor
- Martin, William Christopher
Clinical Professor
- Martinez Torres, Luis R.
Associate Professor
- McNeil, Daniel W.
Professor
- Mendes Duarte Reis, Poliana
Clinical Associate Professor
- Murphy, Niall
Associate Research Professor
- Nascimento, Marcelle Matos
Professor
- Nobrega Rodrigues Pereira, Patricia
Clinical Professor
- Oliveira, Dayane Carvalho
Clinical Associate Professor
- Pileggi, Roberta
Professor
- Progulsk, Ann
Distinguished Professor
- Ribeiro Dasilva, Margarete
Clinical Professor
- Rocha, Mateus Garcia
Clinical Associate Professor
- Rodrigues Duarte, Wagner
Associate Professor
- Sibille, Kimberly T.
Associate Professor
- Singhal, Astha
Associate Professor
- Wallet, Shannon Margaret
Professor
- Widmer, Charles G.
Clinical Associate Professor
- Zeng, Lin
Associate Professor
- Zoidis, Panagiotis
Clinical Professor
